Information for sponsors and exhibitors

ExTech symposia have a long, twelve years tradition on bringing together scientists interested in extraction technologies and sample preparation in various fields of chemistry and life sciences. It has been organized for the first time in 1999 and since that time it has been organized in various countries worldwide.

ExTech 2010 will be organized in Novotel Centrum, Poznań in the very center of the city. The symposium area is 800 sq. meters with a modular design to accommodate parallel sessions, vendors exhibitions and coffee breaks. The estimated number of participants is 200.

An important part of the symposium are workshops and tutorials associated with it. All day workshops will be organized on 19th of September 2010 at the Faculty of Food Science, Poznań University of Life Science, and will include both lectures and labs. Two workshops (techniques oriented) are planned : *i*) SPME and related techniques and *ii*) SPE. Apart from pre-symposium workshops a short, one hour tutorials are planned during symposium, covering various sample preparation techniques and analytical methods fundamentals. The organizers are open to suggestions also from potential sponsors of such events. Tutorials can cover such topics as accelerated solvent extraction, supercritical fluid extraction, comprehensive chromatography basics etc. Instructors can be proposed by sponsors.

There are various opportunities for taking part in the symposium as sponsor/exhibitor. Companies can purchase a package or sponsor a single event/item:

Name	Description	Price (excl.VAT)
Package 1 (Limited to one company)	Title of the main sponsor in all conference materials Exhibition space (1 table (double size), chairs) One page color advertisement in conference program/ book of abstracts Logo in the front page of conference program/ book of abstracts Logo, prominent size, displayed in the conference meeting room Logo in the conference website with link to the company website Promotional materials in the conference bags Three free symposium registrations to all events	5000 €
Package 2	Exhibition space (1 table, chairs) Half page advertisement in conference program/ book of abstracts Logo in the conference program/ book of abstracts Logo displayed in the conference meeting room Logo in the conference website with link to the company website Two free symposium registrations to all events	2000 €
Package 3	Exhibition space (1 table, chairs) Logo in the conference program/ book of abstracts Logo displayed in the conference meeting room Logo in the conference website with link to the company website One free symposium registration to all events	1500 €
Vendor seminar	Seminar organized during lunch breaks 20, 21 or 22 September. Lunch breaks are planned for 90 minutes. Preregistration of attendants required and will be arranged by ExTech organizers. Cost of lunch for participants to be covered by vendor. Logo in the conference program/ book of abstracts Logo displayed in the conference meeting room Logo in the conference website with link to the company website	500 €

Workshops	Consumables (reagents, cartridges, fibers) for workshops to be supplied by vendors. 30 min. for presentation of company products, distribution of company promotional materials included.
